Subject
Capacity release

Dear Madam or Sir,

We would like to inform you that we will release capacity as mentioned in the table below.

Network point	Exit/ Entry	Release period		Firm/ Interruptible	Booking Form
CLUSTER EMDEN OSZ-H	Entry	01-11-2011	31-10-2012	Firm	A
301111 ZELZATE (FLUXYS)	Entry	01-11-2011	31-10-2012	Firm	B
301214 JULIANADORP (BBL)	Exit	01-11-2011	31-10-2012	Firm	C
300142 VliegHuis (RWE)	Entry	01-01-2012	31-12-2012	Interruptible	D
301368 BOCHOLTZ VETSCHAU (RTG)	Entry	01-05-2012	30-09-2012	Interruptible	E

A participant in this capacity release should be a party with licensing LA or LB ('shipper') as defined in article 3.2 of the "Transportvoorwaarden Gas - LNB". A shipper that is interested in booking capacity on the above mentioned network points can send a booking request (enclosure; form A up to and including E) to us until **Tuesday 18 October 2011, 12:00 hours (LET)**. Per network point, only one booking form per shipper will be accepted. In case more than one booking form per shipper is received by us, the last completed booking form that we receive before the deadline will be considered as the booking request.

For all points and for the release period concerned in this capacity release, booking requests via the regular procedure (GEA Click & Book and/or booking form from the GTS website), will be rejected from Tuesday 11 October 2011, 12:00 hours (LET). After this capacity release, the possibility to book capacity via the regular procedure -on the points mentioned in this letter- will be reopened as from Thursday 27 October 2011, 12:00 hours (LET) onwards.

Release firm entry and exit capacity

For the first three points Cluster Emden + OSZ-H, Zelzate (Fluxys) and Julianadorp (BBL) and for the release period concerned in this capacity release, interruptible capacity booked before Tuesday 11 October 2011, 12:00 hours (LET) will be upgraded to firm before firm capacity will be released. There is only a limited amount of firm capacity per network point available and the amounts can differ per month and per flange (cluster Emden OSZ-H).

Gas Transport Services B.V.

Date: 11 October 2011

Our reference: LTF 11.1830

Subject: Capacity release

In case the total amount of requested firm capacity exceeds the total available firm capacity, a notary will determine per network point and/or per flange the order in which the booking requests will be handled.

We ask the participant to indicate in the attached booking form(s), when the assigned capacity is less than the amount requested, whether he wishes to:

1. cancel the booking request.
2. book capacity up to and including a minimum level for the whole period and if the assigned amount is less than the minimum level, to cancel the booking request.

Release interruptible entry capacity (backhaul)

Vlieghuis (RWE)

There is a limited amount of interruptible entry capacity available. The amount of interruptible capacity is only available in the 85% tranche (winter and shoulder periods) and the 70% tranche (all periods).

Bocholtz Vetschau (RTG)

There is a limited amount of interruptible entry capacity available. The amount of interruptible capacity is only available in the 70% tranche and only in the summer period.

In case the total amount of requested interruptible entry capacity exceeds the total available interruptible entry capacity, a notary will determine per network point the order in which the booking requests will be handled.

We ask the participant to indicate in the attached booking form(s), when the assigned interruptible entry capacity is less than the amount requested, whether he wishes to:

1. cancel the booking request.
2. book capacity up to and including maximum 70% tranche (70% of firm tariff).
3. book capacity up to and including a minimum level, regardless of the available tranche for the whole period and if the assigned amount is less than the minimum level, to cancel the booking request.

We will inform all participants at the latest on Tuesday 25 October 2011 on the status of their individual booking request.

Please contact your account manager in case you have any further questions.

Yours sincerely,
GAS TRANSPORT SERVICES B.V.

Petra H.J. Smeets
Manager Front Office
Shipping and Grid Connections
